Remarks

Welcome home to waterfront living in Gates Creek! Offering over 2,000 square feet of air-conditioned living space, this 3-bedroom, 2-bath, split-floorplan home is designed for easy, low-maintenance Florida living with tile flooring throughout the main living areas. The southern exposure fills the home with natural light and showcases long water views and a natural boundary, with only one direct neighbor and a neighborhood park conveniently located right next door. The fully updated eat-in kitchen features shaker-style cabinetry, stainless-steel appliances, granite countertops, and a raised breakfast bar for additional seating. A formal dining room provides the perfect space for entertaining family and friends. The first-floor primary suite offers a spacious walk-in closet and an expansive ensuite bath with garden tub, separate shower, and dual vanities, (including one with a separate entrance that can function as a powder room). Enjoy Florida outdoor living at its finest on the enclosed, single-panel screened lanai (2021) overlooking the water. Additional highlights include a new roof (2018), no CDD fees, and very low HOA fees. Ideally located just 2 miles from I-75, with quick access to Costco, Lakewood Ranch, multiple golf courses, UTC shopping and dining, and only 17 miles to the Gulf.
